

Day 1:

- Arrive at Heron Island from Gladstone at 4pm.
- Orientation regarding the island and settle into your rooms. Your check-in luggage will arrive at your rooms.
- Enjoy the sunset by the beach
- Dinner reservations are made for you while booking. Arrive at the restaurant during yours.
- Star gazing tour is conducted at the Helipad. Check the timings on the board at the information centre and arrive on time.
- Take a night walk at the beach or on the walking trail outside Baileys bar.

Day 2:

- Rise early for the sunrise and return before breakfast closes. I was lucky to have caught the lunar eclipse on this day. Check the sunrise timings at information centre previous night.
- Semi submersible tour starts at 9am. Snorkeling and diving tours are at 9,11 am and 2.30 pm. Book them early morning at the marine centre or else you'll miss them.
- Lunch at shearwater restaurant.
- Birdwatching tour. The tours vary on different days.
- Reef walking when the tide is low. Check exact timings at the information centre to start on time.
- Sunset at the beach or Baileys bar.

Day 3:

- Sunrise and catch a quick snorkel before you grab breakfast and then head out to the jetty by 9.30 am. You can settle your the previous night to save time next day. The reception is open till 11pm.
